Dear Parent or Guardian:

St. Patrick School participates in the National School Lunch Program by offering nutritious meals every school day. Students may buy lunch for \$4.25. Eligible students may receive meals free of charge or at the reduced-price rate of \$0.40 for lunch. You or your children do not have to be United States citizens to qualify for free or reduced-price meals. If there are more household members than the number of lines on the application, attach a second application. For a simple and secure method to apply, use our online application at stpatrickschool.org.

Applying for Benefits

An application for free or reduced-price meals cannot be reviewed unless all required fields are completed. A household may apply at any time during the school year. If you are not eligible now, but your household income decreases, household size increases, or a household member becomes eligible for CalFresh, California Work Opportunity and Responsibility to Kids (CalWORKs), or Food Distribution Program on Indian Reservations (FDPIR) benefits, you may submit an application at that time.

Direct Certification

An application is not required if the household receives a notification letter indicating all children are automatically certified for free meals. If you did not receive a letter, please complete an application.

Verification:

School officials may check the information on the application at any time during the school year. You may be asked to submit information to validate your income or current eligibility for CalFresh, CalWORKs, or FDPIR benefits.

Women, Infants, and Children (WIC) Participants

Households that receive Special Supplemental Nutrition Program for WIC benefits, may be eligible for free or reduced-price meals by completing an application.

Homeless, Migrant, Runaway, and Head Start

Children who meet the definition of homeless, migrant, or runaway, and children participating in their school's Head Start program are eligible for free meals. Please contact school officials for assistance at 408-283-5858.

Foster Child

The legal responsibility must be through a foster care agency or court to qualify for free meals. A foster child may be included as a household member if the foster family chooses to apply for their nonfoster children on the same application and must report

any personal income earned by the foster child. If the nonfoster children are not eligible, this does not prevent a foster child from receiving free meals.

Fair Hearing

If you do not agree with the school's decision regarding your application's determination or the result of verification, you may discuss it with the hearing official. You also have the right to a fair hearing, which may be requested by calling or writing to the following: Ms. Olga Islas, 51 North 9th Street San Jose, CA 95112, 408-283-5858.

Eligibility Carryover

Your child's eligibility status from the previous school year will continue into the new school year for up to 30 operating days or until a new determination is made. When the carryover period ends, your child will be charged the full price for meals, unless the household receives a notification letter for free or reduced-price meals. School officials are not required to send a reminder or expired eligibility notices.
